I'M LATE!!

Oh how those two small words have caused many a heart to flutter and panic to set in. But, in this context they mean that I am truly late in getting out the Newsletter. I apologize for this, but feel you will be pleased with the wait. The main focus of the next newsletter will be the FUN '97 show and auction of Milt's collection. I am currently waiting on a few items before sending it to the printers. These include some information from Len on the auction, a schedule of FUN activities and plans for our meeting/social gathering from our illustrious president. Getting this information, putting the newsletter together, getting it printed and processed means the newsletter should arrive at your home around Dec. 1.

FUN '97

Please remember to make plans to attend FUN. It will be January 8-12, 1997 in Orlando Florida. I am planning to put out another newsletter as soon as possible after FUN. So, if you go, send me your comments and impressions to put in the newsletter so those who could not attend will be able to have some of the ambience of the *"FRACTIONAL EVENT OF THE MILLENNIUM."* You can put in an advance order for a catalog by contacting Len Glazer. They are \$15 and will be incredible references themselves. The auction itself will be held on Friday, January 10, and probably divided into an afternoon and evening session. It will be held at the Clarion Plaza Hotel, 9700 International Drive in Orlando. Auction lot viewing will begin at the Clarion at 2PM on Tuesday, January 7. Because of the unprecedented scope and breadth of the sale, the Clarion is already booked! CAA has blocked some rooms at two hotels near the Clarion. They are the Days Inn at 9990 International Drive for \$63 and the Comfort Suites at 9350 Turkey Lake Road at \$72. The Days Inn is a little more than a half mile from the Clarion--a good walk for you fitness buffs! and the Comfort Suites is one mile away, but on the opposite side of the freeway, so unless you have wings (which some of us angels do), you will need motor transportation. To get these rooms and prices, reservations must be made through CAA. Call Kevin Foley at (414) 282-2388 ASAP as they will probably go fast. As a side note, CAA also has another auction session on Sat. 1/11 featuring other paper lots.

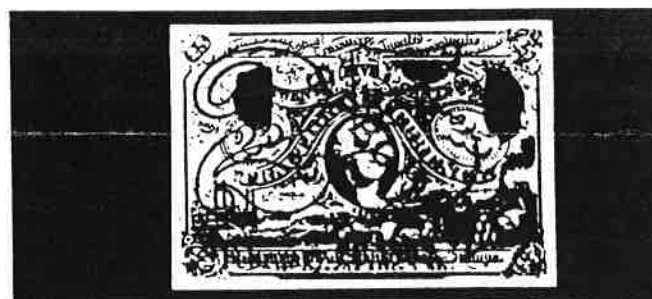

DUES, DUES, DUES

Just a reminder--Dues for 1997 are due in January. They are \$12. I will be enclosing a pre-addressed envelope in the newsletter I put out after FUN. If you want to send them in early, send them to Dr. Lee. P.S. Thanks to Bill Brandimore's efforts, our membership is now 124!
